TO THE PUBLIC. THE SUBSCRIBER BEING DESIRous of continuing the intercourse heretofore existing between himself and his customers, offers them anything in the "DRY GOODS LINE" as cheap as any other market can afford the same style and quality of Goods, for CASH ONLY. He is satisfied from long experience that the policy will be of great advantage to the purchaser, for the expenses of Book and Bookkeeper, together with the usual losses of business will be deducted from, instead of being added to, the usual rate of sales, thus giving to the consumer the entire benefit

and profit of this desirable charge. He hopes by offering this inducement to his friends and austomers to be able to retain their patronage and increase his business,

## JOYCE'S STAR Corn and Cob Mill!

MPROVED & SECURED AUG., 1855, Combines all the good qualities of the Best Mills in use, WITH ESSENTIAL IMPROVEMENTS IN THE

Crushing and other Arrangements. THIS is one of the most valuable inventions for the I from Master, the Farmer, and the Stock Feeder. Its motive power, is a Horse, and will grind ten hush-els per hour. This Machine is more simple in its structure, and less liable to derangement than the "Little Giant." It has received the highest Fremium at several State and County Fairs. It will also grind Shelled Corn into fine Hominy, with a great degree of convenience to the Farmer. It weighs from three to four hundred pounds, according to size and can be put into operation without expense or mechanical aid, put into operation without expense or mechanical aid, in fifteen minutes. Whoever has much feeding to do will save the price of the Mill every winter, by the increase of nutriment contained in the ground Corn and Cob. Farmers and others interested in Stock Feeding, are invited to call at my Store. No. 22 Union Hull, Second street, Ironton. Ohio, and examine this Mill. I am the sole vendor of said Mill for this region of country, and can furnish them on the lowest terms.
